## Results of the Naturland inspection 2025

**Important certification document – please be prepared to show it during next inspection!**

Dear Sir or Madam,

Based on the Naturland subcontractor agreement between your company and your Naturland client, your company has been inspected according to the Naturland standards on 30.12.2025 by CCPB Srl. The inspection report has been evaluated by the Naturland certification committee processing with regard to the conformity of your company with the Naturland standards. We are glad to inform you that your company fulfills the Naturland standards.

Your Naturland client will also be informed about the results of the inspection.

This information document does not entitle you to market products with the Naturland reference on your own or to use reference to Naturland for promotion.

Thank you very much for your cooperation.

Yours sincerely,

Johanna Sperlea
